Date

June 27th, 2024

Time

9:00am - 12:00pm

Course Description

Enroll in a comprehensive 3-hour training course focused on addressing workplace bias and microaggressions. Tailored for organizational leaders, HR professionals, and team members, this course equips participants with essential skills to recognize, address, and mitigate bias impacts. Through interactive lectures, real-life scenarios, and breakout sessions, learn to foster inclusivity for higher employee satisfaction and engagement. Apply learned concepts to daily interactions and decision-making processes for a more respectful and equitable workplace.
